RE: GRAMA request for records regarding FamilySearch Indexing.

Dear Burkely Hermann,

The Salt Lake County Sheriff's Office has received your GRAMA request dated 10/3/2019 your request specifically sought: *Contracts between the Salt Lake County Sheriff's Office and FamilySearch, often called a "Memorandum of Understanding" and with a section describing FamilySearch's assistance.*

Mr. Hermann, at this time I am denying your request under Utah GRMA Record formatting, [63G-2-201](#) Subsection (8) (a)

- A government agency does not have to create a record;
- compile, format, manipulate, package, summarize, or tailor information;
- provide a record in a particular format not maintained by the governmental entity

There is not a record available with the information you are requesting.

You have the right to appeal this denial within thirty (30) days of receipt of this letter by filing an appeal with Chief Dumont c/o Jail Records pursuant to Salt Lake Countywide Policy 2040. Appeals should be mailed to Chief Dumont 3365 S 900 W, Salt Lake City, UT 84114. See attached policy.

Sincerely,

Asst. Supervisor Bobbie Molina IB2
